Steelwrist France SAS - new French subsidiary

Swedish tiltrotator and work tool manufacturer Steelwrist strengthens its presence on the French market by establishing a local company, Steelwrist France SAS.

As the market for tiltrotators continue to grow, Steelwrist is strengthening its presence in markets of strategic importance. The company has had its own organisation in France for some years, but now take a further step and establishes a local company, Steelwrist France SAS.

- We are pleased to take this important step in growing our organization by establishing a formal entity in France, says Nicolas Proust, Country Manager France. This will allow us to more immediately and thoroughly meet the needs of our customers in the region. We look forward to continuing to grow and expand in France.

Company address:
Steelwrist France SAS
27 Place Victor Schoelcher
91300 Massy
France

The new address is valid from January 1, 2019.
