

# CUSTOM BUILD

## Bucket

---

### Design your own bucket

**If I only had that specific bucket shape then I would be able to do this job much faster... Ever had that feeling?**

We know that many experienced operators may have specific needs! As a technology leading work tool supplier we have the tools available so that you can design your own custom built bucket online. Using our online tool you can shape the bucket to your own desire, add teeth and determine material specifications.

Price will adjust automatically depending on the choices you make. Once you have fixed the design, a quotation with price and lead time will be sent to you. When confirmed, we will manufacture the bucket and ship it to the address of your choice. Super easy!
