

SQ90

Quick coupler 40-70 tonnes

SQ Auto Connection System –

Changing powered work tools in seconds

The demand for productivity is constantly rising and in some applications the need for work tool changes is almost continuous. With Steelwrist SQ-technology you will be able to change between tiltrotator, hydraulic breaker, crusher, shear, pulverizer, grapple, screening bucket, compactor and of course any mechanical work tool – all without ever leaving the cabin and in only seconds.

Regarding interchangeability between the SQ standard and other brands of fully hydraulic quick couplers and work tools, see link.
